

**REPORT FROM 3rd PROJECT MEETING IN BRNO, CZECH
REPUBLIC
TUESDAY 15th MARCH 2022**

On Tuesday, we went to **observe the work of a tourist guide in real situations.** In the morning we all met at the school at 7.45 and at 8.15 we went by bus to **Žďár nad Sázavou** to visit the

castle-monastery and the Pilgrimage Church of St. John of Nepomuk at Zelená hora by Jan Blažej Santini-Aichel - a UNESCO monument. The sun was shining, but it was quite cold.

At 9.45 we arrived at the castle and a **guided tour: "In the footsteps of the architect Santini"** began. The guide gave us a tour **in English**, we went through the castle, the monastery, the church and various other parts like the fish ponds and the museum about the life of the nuns and monks. **We watched the guide work and learnt how to do it as we had more days to do it.**

The second part of the tour at 11 a.m. was **an interactive game in international teams.** It was called **"The Monk as a Renaissance Man"** and took place in the museum. First we were divided into different teams with members of different nationalities and then the guide explained the rules in English - **we performed different tasks and searched for information in the**

museum. It was quite exciting and interesting but a bit difficult.

After the interactive game, we had a snack and went on foot up the hill to see the

Pilgrimage Church on Zelená hora. We walked past a pond that was frozen over, which was a great attraction for the Spanish team who don't have any snow and ice on the Canary Islands. They took about 100 photos

there. At 2 o'clock, a guide was waiting for us outside the church, who told us in English about the history and the origins of the church, showed us around the outside and inside and we learned many interesting things. The tour lasted about an hour and we took notes as we will need them to prepare our presentations in the following days. After the tour, we slowly walked down the hill.

At 3.30 p.m. we got back on the bus and headed back to Brno. On the bus we chatted with our friends and the journey went by quickly. At 5 p.m. we arrived at the school and took our guests home for dinner and the evening programme.
