

**REPORT FROM 5th PROJECT MEETING IN GLASGOW,
SCOTLAND, UK
TUESDAY 31ST MAY 2022**

On Tuesday a trip to Edinburgh, the capital of Scotland, took place.

At 8:00 we had breakfast, we had toast with raspberry jam, with fruit and orange juice. At 9:05 we had a

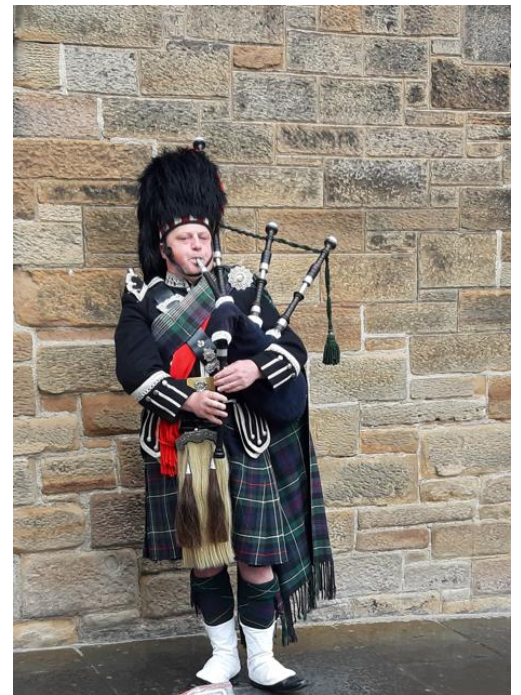

meeting at the main entrance of the hotel and walked to the bus stop to wait for the bus to take us to the train station. At 10:15 we boarded the train to Edinburgh; the journey took about an hour. At 11:20 we arrived at Edinburgh station, the students from Scotland were counted, the rest of us went to the toilet and then it was off into the city.

At 12:00 we arrived at Edinburgh Castle, where we took pictures..

At 12:15 we went to the shop where there were all kinds of souvenirs, but we focused on the kilt section, which we learned about thanks to our teacher Miss Schormová and the shop itself. It was a workshop where kilts were made.

At 1 p.m. we all went to the National Museum of Scotland, where we played a game in teams - we were given the task of taking a photo with something made of metal, something we liked or disliked and lots of other things. Of course, we

went through the whole museum. It was raining heavily outside, so we were glad to be inside. The museum had 3 floors and was very interesting, there was a little bit of everything - from mummies, to Indians, to animals, to airplanes.

At 2:30 p.m. we went to St Giles' Cathedral where we saw the Thistle Chapel and toured the whole cathedral.

TUESDAY 31ST MAY 2022**

We got hungry from all the walking, so we went to the **Standing Order restaurant** at 3:30 p.m. for steak. There was a lot to eat, so we ate well and continued our tour.

At 4:30pm we reached a hill called **Calton hill**, which gave us an amazing view of the whole of **Edinburgh** and the sea on the other side. There is an observatory and other

buildings on the hill. We stayed on the hill for a while, resting after the hard hike, enjoying the view and taking pictures. We could see **the Arthur's Seat, the Palace of Holyroodhouse, the Scottish Parliament, and the O2 Arena** below us. Then we did some more shopping to buy gifts to take home and had a short break.

At approximately 6:05 p.m. we **boarded the train back to Glasgow**. We got to our hotel around 7:30 p.m. and then we just had a shower and went to bed.
